An original Magic Garden poem • Read aloud or read along

Jessie found a cape of green,
Sarah chose a purple sheen.
A paper crown, a starry hat,
A cardboard shield, a smiling cat.
We snip and draw and make believe,
With ribbons, shapes and autumn leaves.
Each costume tells a tale that's new,
And best of all, it's made by you!

LET'S TALK: What costume could you make from paper and imagination?

Sarah and Jessie are preparing a Hallowe'en costume parade in the Magic Garden. Jessie designs a green helper outfit while Sarah dreams up purple fairy wings. Now the sisters need your creative ideas!
